SUMMARY

Caring and dedicated English speaking nanny and early childhood teacher with over 6 years' experience working with young children, particularly in the age range of 2–7 years. Skilled in creating a safe, nurturing, and engaging environment where children can develop language, social, and creative skills. Experienced in planning age-appropriate activities including games, songs, reading, and outdoor play. Strong background in supporting early literacy, developing routines, and fostering positive behavior. Committed to building warm relationships with children and collaborating closely with parents to support each child's growth and well being.

WORK EXPERIENCE

Piccolo School | Moscow, Russia

English Teacher

September 2021 - September 2025

- Provided English language education and care-giving for children aged 2–7, designing interactive activities and lesson plans.
- Developed engaging prompts, games, and stories to teach language and literacy skills, demonstrating creativity in content creation similar to AI prompt engineering.

- Maintained accurate records of children's progress and behaviour, demonstrating meticulous attention to detail and data management.
- Collaborated with parents and colleagues to ensure a safe, nurturing, and inclusive environment.

Sunschool | Moscow, Russia

English Teacher

September 2021 to August 2025

- Supported children's learning through play-based and structured activities, introducing early reading and writing using phonics and interactive stories.
- Designed, labeled, and organized educational materials such as images, flashcards, and prompts, ensuring consistent quality across resources.
- Fostered collaboration with parents on child development and progress, improving communication skills.

ESL Language School | Moscow, Russia

English Teacher

December 2018 to July 2020

- Taught English to young learners in small groups and one-on-one sessions, adapting teaching methods to suit children's needs and learning styles.
- Created lesson plans and prompts tailored to individual learning goals, demonstrating experience in content creation and quality control.
- Developed students listening, writing, speaking, and grammar skills through tailored activities.
